### From The CEO's Desk

Muhammad Ali Shaikh Saeed

This 68 year long journey in the art of perfumery has transformed Shaikh Mohd. Saeed Est. as an organization from a dealer to one of the largest manufacturers of perfumes in the UAE. Over the years we have leveraged state of the art technology and know-how of the perfume industry which created good faith among the cognoscenti around the world.

All these qualities are reflected in the work we do and the products we deliver, which are loved by millions across the globe. As a progressive organization, we continue to work hard on improving our products to offer better fragrances to those who continue to put their faith in us

*The beginning of an era*

## BRAND HISTORY

Shaikh Mohd. Saeed Perfumes, a company based in the United Arab Emirates was founded by a true perfumista Late. Shaikh Mohammed Saeed in 1954. 67 years of crafting memories stem from its deep-rooted understanding of the cultural values and lifestyles of the Middle Eastern People. Shaikh Saeed Perfumes captures the essence of the glorious time and memories in its captivating fragrances. It creates an amazing authentic traditional fragrance through modern technology. We have a wide range of products including:

- \* Perfumes
- \* Deodorants
- \* Superior Quality Agarwood and Dhanul-Oudh
- \* French Eau De Parfum
- \* Cosmetics & Toiletries

It has succeeded in blending Oriental & French fragrances to create its signature scents. It is also one of the largest distributors of french perfumes in the region. The inspiration imbibed from our forefather has led to the creation of the best fragrances defining Honesty, Beauty, Loyalty, and Quality. Today, this family-owned business headquartered in Dubai, United Arab Emirates is steered by the passion of Shaikh Saeed's family playing a key role in the Brand's developments.

*The first Al Hunaidi perfume shop in Dubai*

Fragrances are a gateway to old memories, triggering emotions and transporting you to a beautiful realm of piety and bliss. They are an invisible accessory that allows you to leave a lasting impression, one that lasts a lifetime.

This fascinating world of fragrances has been our primary focus for the last 67 years. Over the time we have established our name as one of the leading manufacturers, distributors, wholesalers as well as Retailers of fragrances in this enchanting country, UAE.

Our experience has taught us that fragrances are not only limited to ingredients, but it needs an immeasurable research and the method of manufacturing.

We intend to continue this beautiful journey for years to come and keep developing fragrances that resonate with those who appreciate the intricacies involved in the modern art of perfumery.

## Al Hunaidi Perfumes COLLECTION

Specializing in production of Arabic and Oriental fragrances, Al Hunaidi has been a name trusted by the populace of UAE since we launched our first store in Deira City Center, back in the year 1996. Leveraging our years of experience in the art of perfumery, we at Al Hunaidi have developed a range of Perfumes, Mukhallats and Oud oils that are absolute crowd pleasers, garnering our products international acclaim and a clientele around the globe.
